Greetings from the Governor
March 2010

I am delighted to congratulate Anderson Hay & Grain Co., Inc. on 50 years as the region's leading exporter of hay and straw products.

Over the years, your company has developed a reputation for dependability and exceptional customer service. While times may have changed, your team has remained faithful to the principles it was founded upon and continues to raise the bar of excellence.

I applaud Anderson Hay & Grain for its longstanding commitment to building strong relationships with its growers and customers. Your company is a shining example of what it means to adapt to the changing demands of a 21st century global economy, and, as you move forward, I am confident that you will enjoy continued growth and prosperity.

Again, congratulations on this significant milestone, and please accept my best wishes for a memorable time of celebration and much success in the years ahead.

Sincerely,

A handwritten signature in blue ink that reads "Chris Gregoire".
